

IHEA-USA Instructor Photo Contest 2021

Here comes another IHEA-USA Contest with great prizes and this one is a photo contest for Instructors and IHEA-USA instructor members. That's right, we're looking for a photo or photos that demonstrate modern Hunter Education and celebrate the evolution, diversity, and inclusion that Hunter Education now represents. Think, how is Hunter Education adapting to a changing world, then make or find a photo(s), enter the contest, win great prizes!

There will be one Grand Prize winner chosen that best represents how modern hunter education is evolving. This winner's photo will be turned into the next IHEA-USA artwork and will be made into a painting with prints to distribute across the country. The winner will receive a framed print of the artwork for themselves.

Separately, every entrant will be entered into a prize drawing for the three great prizes listed below. Enter a photo(s) to enter once per Instructor, regardless of the number of photos entered, and one additional entry if you are an IHEA-USA member. [Become an IHEA-USA member here.](#) Just to clarify, this contest has a 1 + 1 entry method, 1 entry if you enter a photo(s) and an additional 1 entry by being an IHEA-USA member.

This contest kicks off on September 1, 2021 and will end November 15, 2021. The winners will be announced by December 1, 2021. So get started planning, taking photos, and submitting them on the IHEA-USA website.
